OUR GREEN PLANTS are grown so as to give the maximum of results equal or superior to root stock. This is only accomplished by the selection of healthy vigorous roots benched in a moderate heat that will enable us to take stocky base cuttings. Only a reasonable number of cuttings are taken and none used that are spindly. After cuttings are rooted and potted and begin to grow they are moved to cooler quarters and later shifted to larger pots; at this stage small tubers are beginning to form, assuring that clumps will be obtained at digging time; the plants are later hardened off in "outside quarters" so as to withstand shipping and be in condition for planting out. **OUR PLANTS ARE SHIPPED FROM 3 INCH POTS.**

DAHLIA SEED

SELECTED SEED THAT WILL GIVE HIGH GERMINATION WITH A LARGE PERCENTAGE DOUBLE FLOWERS WITH GOOD CENTERS. 25 for \$1.50, 50 for \$2.50, 100 for \$5.00, 200 for \$9.00.

ROOTED CUTTINGS

Should you be interested in **ROOTED CUTTINGS** of any of the newer varieties, write us and we will advise if we have sufficient "Base Cuttings" to enable us to supply **ROOTED CUTTINGS** at one-third less than the cost of plants. Taken from the sand and wrapped and shipped in wet sphagnum moss we guarantee delivery in good condition and that they are true to name; here our responsibility ceases for proper facilities (coldframes, good potting soil and 3 & 4 inch pots) are needed and some knowledge required to give them the care essential to maintain their vitality and grow them to worth-while plants hardened off for outside planting.

Just a Few of Many Testimonials

From the President of the New Jersey Fish & Game Commission:

"For several years I had purchased my dahlia bulbs from various growers with only indifferent success. It was not until I began buying from the Premier Dahlia Gardens that I was able to raise outstanding blooms, and I am pleased to say that I now use nothing but Premier plants and roots and am having splendid results."

"While I do not grow for exhibition purposes I have never failed to take Firsts whenever I have exhibited." — Geo. C. Warren, Jr.

From Mr. H. W. Rivel, Irvington, N. J., many times winner at New York, Irvington and Essex County shows, writes: "I won the House Beautiful Medal with your stock which has also won this Medal at the Irvington Shows for the last 4 years. In classes H. A. at New York won Sweepstakes and two Outstanding Awards and at the Essex County Show, won a cup with but 12 entries."

From Mr. William Vooz, Jersey City, N. J.: "At the Jersey City show this Fall I won many 'Blues' and 'Specials' with the plants supplied by you."
